St. Nicholas Catholic School - Gig Harbor, WA

Dear Parents:

If your child is not fluent in English or your home language is not English, we want to work with you to ensure that we are doing all we can to help your child(ren) succeed in school. One way we can do this is by taking advantage of the services that are available to English language learners through federal education programs. A portion of the funding for these programs comes from your hard-earned tax dollars!

In order to qualify for these programs, we will need to identify which children may need extra assistance in learning English. Please note that this form will NOT be used to identify students who may be undocumented, and all information will remain confidential.

If you have any concerns or questions please do not hesitate to reach out. You may also contact Kaitlyn O'Leary, Assistant Superintendent in the Office for Catholic Schools, at Kaitlyn.oleary@seattlearch.org.
